Downloadable eBooks

http://anytime.lib.overdrive.com/

To checkout eBooks and download them you need…

- A valid library card with the Ellensburg Public Library (restrictions may occur if you have fines).
- High speed Internet access at home.
- A computer and/or device that meets the system requirements for the type of materials you wish to download.
- A current computer or tablet to download free software for the or device on which you will use the materials available at this site.

eBooks come in basically two formats; one format for Amazon Kindle products and one for everything else, including Nooks, Sony, Kobo and other products. eBook readers can be either devices or an app on a tablet or phone.
