	Contractor Email:

PLAT INFORMATION			
Project located in City limits:	<input type="radio"/> Yes <input type="radio"/> No	Project located in the UGA:	<input type="radio"/> Yes <input type="radio"/> No
Is a temporary service req'd:	<input type="radio"/> Yes <input type="radio"/> No	<i>(Note: If temp service is required, please complete an Application for Electrical Service TEMPORARY)</i>	
Anticipated construction start date:		Total number of phases in project:	
Proposed date curbs and paving are scheduled to start:		Total number homes/units in all phases:	
Proposed date wet utilities scheduled:		Number of homes/units per phase:	
Proposed date dry utilities scheduled:		Phases constructed in next 12 months:	
Anticipated first house being built date:			
Average square footage of homes/units:		(Provide Detailed Phasing Explanation Below)	

AVERAGE LOADING INFORMATION (Per House/Unit)

Main Electric Panel Size (Typical): 200 Amps 320 Amps 400 Amps Other: _____ Amps

<input checked="" type="checkbox"/>	Electric Loads: (Check all that apply)	1 Phase	LRC/LRA/Starting Current^[1]	
<input type="checkbox"/>	Furnace: <input type="radio"/> Electric, or <input type="radio"/> Gas		kW	
<input type="checkbox"/>	Heat Pump/ Air Conditioner:		kW	Amps
<input type="checkbox"/>	Mini-Split Heat Pump:		kW	Amps
<input type="checkbox"/>	Water Heater: <input type="radio"/> Electric, or <input type="radio"/> Gas		kW	
<input type="checkbox"/>	Cooking: <input type="radio"/> Electric, or <input type="radio"/> Gas		kW	
<input type="checkbox"/>	Hot Tub/ Pool/ Sauna: <input type="radio"/> Electric, or <input type="radio"/> Gas		kW	
<input type="checkbox"/>	Electric Car Charger Level ^[2] <input type="radio"/> 1 <input type="radio"/> 2 <input type="radio"/> 3		kW	
<input type="checkbox"/>	Solar PV System ^[4] :		kW	
<input type="checkbox"/>	Other:		kW	Amps
<input type="checkbox"/>	Other:		kW	Amps

Large Motor Loads: (Items over 2 Horsepower (hp))

<input type="checkbox"/>	Other:		kW	Amps
<input type="checkbox"/>	Other:		kW	Amps

NON-RESIDENTIAL LOAD INFORMATION

<input checked="" type="checkbox"/>	(Check all that apply)	1 PHASE (volts)	3 PHASE (volts)	HP	NEMA
<input type="checkbox"/>	Irrigation Pump ^[3] :				
<input type="checkbox"/>	Sewer Lift Pump ^[3] :				
Operating Hours:		Days Per Week:			

^[1] Locked Rotor Current (LRC)/ Locked Rotor Amperage (LRA)/ Starting Current information can be found on the name plate of the unit or from the manufacturer. This information is needed for the job to be processed.
^[2] Electric Car Charger levels: Level 1- 120 Volt (up to 2 kW), Level 2- 240 Volt (up to 20 kW), Level 3- 480 Volt (greater than 20 kW).
^[3] A Commercial Service Application is required for pump(s) requiring 3-phase service.
^[4] Requires a separate Solar Application.
^[5] Requires a separate Application for Electrical Service Commercial.

BILLING INFORMATION

Send Invoice To: Owner Electrical Contractor General Contractor

APPLICANT CERTIFICATION:

I certify that I am the **owner** of the property described above (or) the owner(s) **authorized agent** and I have been given express permission by the owner(s) of the property to submit this application for electrical service for the following described property.

This application is official notice to the City of Ellensburg to begin all the necessary steps to provide you with new electric service. If any of the above information is changed, you may be responsible for additional charges related to engineering, construction, or other aspect of providing service. If there is a lack of progress or inactivity on your project and this project is cancelled either by you or by the City of Ellensburg, you will be responsible for paying the City of Ellensburg actual costs incurred up to the time of cancellation.
