

FIND THE ANIMALS

FILL IN THE ANIMAL FACTS

DIRECTIONS

Use your adventure map to locate animals hiding in Ellensburg's parks. Parks are marked on the map with jungle animals. Find a poster of the same jungle animal hidden at each designated park. Find the animal fact on each poster and use the fact to fill in the blanks included with the map. Once you have completed the adventure and filled in the blanks, bring this form to the Ellensburg Public Library for a small prize. Deadline for completed forms is August 2nd. Share your pictures with us! Email harts@ci.ellensburg.wa.us

Giraffes are _____.

Sloths sleep _____ hours a day.

Crocodiles have _____ teeth.
