**Community Development Department**  
501 N. Anderson, Ellensburg, WA 98926 (509) 962-7239 (Building) (509) 962-7231 (Planning) commdev@ci.ellensburg.wa.us

A pre-application meeting (Pre-App Fee: \$500) is required prior to submitting a Critical Area Variance application. A critical area variance is a mechanism by which the city may grant relief from the zoning provisions and standards of the LDC, where practical difficulty renders compliance with the LDC an unnecessary hardship. Variance permits are subject to the Type III review process as set forth in Chapter 15.210 ECC.

Application Fee: \$400

In addition to the variance application fee, the applicant shall be required to pay a \$600 Hearing Examiner fee. The pre-application fee of \$500 may be applied toward these fees.

If the Hearing Examiner fee is less than \$600, the difference shall be returned to the applicant. If the Hearing Examiner fee exceeds \$600, the additional cost shall be billed to and paid by the applicant.

The Planning Division will be unable to accept your Critical Area Variance Application if you fail to provide ALL of the following required material.
